Zoom meeting link: <https://zoom.us/j/95865124535>

Description: This training session focuses on B-CU's Virtual Computer Labs -- a cloud-based platform powered by VMWare providing browser-based access to the most popular software titles on their personal devices. It's easy to use, can be accessed anytime & anywhere, and requires no installation. Learn how your students can use this tool to complete coursework remotely!

DATE | TIME

Title: Introducing the Start it Up Program

Presenters: *Deigion Craddock & Kathryn Callahan*

Date & Time: April 22, 2021 - 2:30 p.m. to 3:30 p.m.

Zoom meeting link: <https://zoom.us/j/91476278213>

Description: The Start it Up program equips students with professional skills, analytical skills, critical thinking skills, and work experience to become student consultants. The students' development will result in them helping local businesses with areas they need assistance with. We are looking to select 10 students to participate in a summer internship and we would love to recruit about 10 faculty members to act as mentors for the students during the process.
