MEMORANDUM

To: Bethune-Cookman University ("B-CU") Community and Stakeholders

Re: Presidential Search Update

Dear B-CU Community and Stakeholders,

On behalf of the Bethune-Cookman University Board of Trustees, I extend our deepest appreciation to everyone who participated in the recent on-campus visits of our presidential finalists. Your presence, insights, and feedback were vital to ensuring a transparent and inclusive process.

I want to offer a special thank you to both the Search Committee and the Host Committee. The Search Committee's commitment to identifying strong, visionary leaders and their tireless work throughout this process has been invaluable. The Host Committee also deserves our heartfelt thanks for coordinating the campus visits with care and professionalism, ensuring that each finalist had meaningful opportunities to engage with our campus and extended community.

Transparency has remained a guiding principle throughout this search, and we remain committed to keeping you informed as we move forward.

Next, the Board of Trustees will convene on a scheduled date to:

1. Receive and review the full scope of community and campus feedback—both from in-person sessions and online submissions—as compiled by our search firm;
2. Deliberate thoroughly and cast a vote to select the next President of Bethune-Cookman University.

Following the vote, there will be a brief period before any public announcement is made. This time will be used to enter into and finalize negotiations with the selected finalist. An official announcement will follow once all parties have reached agreement and signed the necessary documents.
